August 2 – Be Obedient

Scripture:

Exodus 20:12 "Honour your father and your mother, that your days may be long upon the land which the Lord your God is giving you. (NKJV)

Message:

Obeying God brings happiness. God is always looking out for us so that we can enjoy the good things in life. And if we obey Him, do you not think that things will be well with us? We need to trust God in all that we do so that we will always be joyful as well as thankful. Sometimes we cannot see the joy in the situation, be if we trust God, it will all work out for our good.

So it is we are to obey and honour our parents. Our parents should be leading us in the right direction to get ahead in life. They are responsible for guiding us in our spiritual and physical life, so when we obey them, we can make the right choices. Obeying our parents also gives us a long life on earth. Obeying God gives us not only a long life on earth, but also a longer life with Him, and that is eternal life.
