August 9 – Spiritual Growth

Scripture:

Mark 4:26-29 Jesus also said, "Here is what God's kingdom is like. A farmer scatters seed on the ground. 27 Night and day the seed comes up and grows. It happens whether the farmer sleeps or gets up. He doesn't know how it happens. 28 All by itself the soil produces grain. First the stalk comes up. Then the head appears. Finally, the full grain appears in the head. 29 Before long the grain ripens. So the farmer cuts it down, because the harvest is ready. (NIRV)

Message:

When we grow in the Lord, we produce good fruits. To get good fruits from any tree, we first plant the seed. We water it and let it have a lot of sunshine so that it can grow. In time, it will bear fruits. We grow in the Lord when we live for the Lord. We read the Bible to see how He wants us to live and do what we know is right.

To grow in the Lord is to become mature so that we live for Him and bear fruits. As we grow, we need to help others grow by sharing our faith with them. Step by step, if we keep on the right path, we will move from one stage to the other, getting stronger and stronger day by day. Live for the Lord, grow in the Lord so that you can be fruitful.
