Scripture:

Psalm 139: 23-24 Search me, O God, and know my heart; try me, and know my thoughts, and see if any wicked way is in me; and lead me in the way everlasting. (MKJV)

Message:

Not many people like clutter in their lives and are thus always cleaning and getting rid of unwanted things in their cupboards and homes. Our lives can also be filled with things and people that can hold us back and stop our growth in Christ. This is why we need to ask God to search us and to know our hearts so He can take away the things which make us worry. We can also be filled with a large amount of wickedness that blinds us. So much so we cannot see the wickedness in ourselves or see when God is trying to clean us.

Why should we be walking around bearing burdens which make our lives heavy? The ideal situation is one where God searches us and we allow Him to cleanse us in order to live for Him. If we are to walk in His way, the way everlasting, we cannot do so when we are heavily burdened with sin. Let God cleanse the wickedness in you, wipe you clean and make you whole. A wicked heart is filled with darkness and needs the light of Jesus to see the way forward. When we allow God to have His way with us, we have no need to worry, no need to fear.
