**Ecclesiastes 7:1 A good name is better than fine perfume. (NIRV)**

**Message:**

**Your parents or grandparents are always telling you to watch the company you keep, to have good friends, to speak properly, have manners and don't be rude especially to your elders. The list of instructions is long as they try to bring us up in a Godly manner. They are looking out for us and do not want to see bad things happen to us. When we do or say bad things, people know us according to how we behave and they even give us a good or bad name. When we are given a good name it means we are a good person.**

**It is always good to live a honest life, being true to Almighty God. This gives us a good name especially in the sight of God. If we follow the wrong friends, doing the wrong things, this will give us a bad name and we should not wish for a bad name. The Lord loves it when we live for Him as well as show others how to live for Him, When we have a good name, others would trust us and follow our example. A good name is more precious than some of the things we consider important. Work hard at it and work hard to keep it.**
