**Colossians 3:2 Think about the things that are in heaven. Don't think about things that are only on earth. (NIRV)**

**Message:**

**A lot of persons put the emphasis on the wrong things and the wrong people in life. They tend to focus on the material aspects such as more money, more clothes, more tech stuff and the things they feel will make them happier, stronger or even more popular. The sad thing is that they concentrate so much on these things they completely forget to consider the important things in life.**

**Some of the important things are your health, your family and your education. The most important of all is your spiritual life, not just how you live now, but where will you spend eternity. Our scripture for today reminds us to consider the better life, the things of God. We are to embrace the things that would lead to eternal life. Not the earthly, the selfish, the dangerous, but those things that create, nurture and develop a Godly life and lifestyle.**
