Scripture:

Luke 6:38 give, and it will be given to you; good measure, pressed down, shaken together, running over, will be put into your lap. For the measure you give will be the measure you get back. (RSV)

Message:

Give and it will be given to you. Always give of your best to God and He will bless you in many ways. Give willingly and give generously when you say yes to God. Do not say "Yes" and change your mind, or put very little effort and not do a good job. Give a little and you will get a little. But give a lot, especially to God and He will bless you in large amounts. Let us not watch to see what others are doing, so that it determines what or how much we will give. Instead, as we serve God and do things for Him, we do it with joy and pride as well as we must do the best we can.

Too often we follow the crowd and do the bare minimum. But we must stand out and stand tall above the rest and do our best. When you fill a cup with flour and you think it is full, if you shake it, you find that it can hold some more. If you fill it again and shake it again, you will find that again, it can still hold some more flour. And that is how God wants to bless us. Give to Him, give your best at all times and He will pour and pour and pour blessings upon you.
