July 12 – Be Peaceful

Scripture:

Matthew 5:9 Blessed are those who make peace. They will be called children of God. (NIRV)

Message:

Let us not only be at peace with our God, but let us be a part of the way to gaining peace. When we have something good, as good Christians, we should want to share it with others. To be peaceful is to be contented and satisfied especially with our Lord. It is all about having a right relationship with Him. It is all about being quiet and listening to the leadings and directions given for successful living.

Even better than having that peace with our Lord, is being peace makers ourselves. When we can be a part of someone else gaining their peace, it is a great thing. You are blessed when you help someone else gain the peace that you have been able to gain for yourself. Added to that, you will be called children of God. To be a child of God is a blessing in itself and it is a position of honour.
