**Scripture:**

**Psalm 96:4,9 The Lord is great. He is really worthy of praise. People should have respect for him as the greatest God of all. 9 Worship the Lord because of his beauty and holiness. All you people of the earth, tremble when you are with him (NIRV)**

**Message:**

**Our God is a great God and greatly to be praised. Because we have so much to give thanks for, we should be praising Him all the time. When things seem dim, God brightens the way. When there appears to be no way out of a sticky situation, He makes a way. When we wondered how we will ever make it, He came through for us. We must praise God at all times simply because of who He is and what He means to us. He will do great things for us especially when we open ourselves to receive from Him.**

**God alone is worthy of our continuous thanks and praise. He has done so much for us in the past, today He is still with us and promises to be there for us in the future. He is the God of yesterday, today and tomorrow. Do not be afraid or ashamed to worship Almighty God. The more you speak to Him and keep the connection going, the more He will speak to you. The more you open yourself to His leading, the more God will pour into you and fill you with the good and worthy things of life. God is great. Give Him the chance to show you how great He is and how many great things He can do for you especially when the praise and worship comes from the heart.**
