Scripture:

Exodus 20:3 You shall have no other gods before Me. (NKJV)

Message:

Always try to link with the things and people who will help you to grow and to grow in Jesus Christ. To link with God is a sure way to be successful in life. God is important to us to help us to grow and move forward. He has done so much for us. God has given us life; He has given us food so we would not be hungry; He has given us a family so we can feel safe. God has plans for us which is why we need to keep close to Him. He cares for us; looks out for us; looks after our needs and protects us. God is very important to us in order for us to live right.

So when someone is so important to us, we must put no one else before them especially when that person is always doing the best for us. God is all important. Just as He has done so much for us in the past, He continues and will continue to do the best for us. Do not worry about today or tomorrow nor cry over what you cannot control. God is with you always so do not put any other gods before Him. He is real and He is true, so let Him into your life for Him to do wonderful things in you, with you and for you.

Activity:

Fill in the blank space with a vowel (A E I O U) to see what God gives to us.
