June 21 – You shall have no other gods.

Scripture:

Exodus 20:3 You shall have no other gods before Me. (NKJV)

Message:

There is only one God and we should not put anyone or anything above or before Him. He is supreme and means so much to us. He is our Creator, Provider, Healer, Shepherd and much more. He is our Father who looks out and cares for us. Like any good father, God is always there for us and we only need to seek Him and tell Him our troubles. We should not only look for Him when times are difficult, but praise Him all the time, giving Him honour and glory. The song says "*You deserve the glory and the honour*".

We do have to be careful as sometimes we worship other things and people before God. We spend a lot of time on our cell phones, tablets and other technological tools more than we spend time with God and reading the Bible. We look to mankind before we even think about God, believing that people can solve our problems better than God can. But our verse for today tells us that we are to put no one and nothing before our God. We must put Him first in every situation. Instead of waiting until things go wrong to cry out to God, put Him first and let Him lead you in the right way.
