Scripture:

Luke 8:48 Jesus said to her, "My daughter, your faith has made you well. Go in peace." (GNT)

Message:

Have you ever wanted something so badly you keep praying every day that it will be yours? It could be a book, a toy or a new bag. Do you remember how it felt when you did indeed get what you wanted after waiting so long? You were happy, so happy it might have made you cry. Maybe someone for you was very ill and you prayed to God to heal them. When God did touch and heal them, I know you were very happy now that they are better and can move around again.

To have faith in the Lord is to believe strongly in Him and what He can do. It is believing that He will give us what we ask of Him especially if we ask for the right things. He will give it to us when the time is right and all we have to do is trust Him to decide for us. We must ask for the right things and for the right reasons. God answers prayers and He hears us when we cry out to Him so we must believe and have faith in Him. We must also learn to wait for the answer as God's time is not our time and God's time is always the right time. He knows what is good for us and when we are to have it. Believe that.
