June 28 – Wisdom Delivers

Scripture:

**Proverbs 2:10,11** When wisdom enters your heart, and knowledge is pleasant to your soul, **11** Discretion will preserve you; Understanding will keep you, (NKJV)

Message:

**Everyone wants to be wise. Everyone wants to be seen as being wise. True wisdom comes from God when we seek His divine intervention in everything. We first need to acknowledge that we cannot do much in our own strength, but rely upon God to have the final say in all things. Then we need to yield to His authority in all matters as His way is always the best way. Then we need to follow His directions to get where we are going on time and safely.**

**To be wise is to listen to who knows better, learn for them and be guided in the appropriate way. God always intends the best for us, we just need to listen and obey. We become wise when we listen and learn from God, when we continue to grow and develop so that we too can lead others. To be wise is to give good and sound counsel or advice. God gives us good counsel through His Word. Along with the study of the Word of God and with the guidance of the Holy Spirit, we will become wise.**
