**Scripture:**

**Matthew 5:8 "Blessed are the pure in heart, for they shall see God".  
(RSV)**

**Message:**

**When something is pure, it is as clean as possible. There are no spots to make it dirty. So someone who has a pure heart is living a clean life with clean thoughts and clean actions. They do not do the wrong things that are not pleasing in the sight of God, but are always trying to live the life He wants us to live. A person with a pure heart as he/she lives a clean life, does not have the time for dirty thoughts or dirty words as these are not what Jesus desires.**

**We must then put away the bad and live the good life in Jesus Christ. It is not just for one day, but every day we must try to live a clean or pure life. When you are busy doing the right things in life, you will find no time to even think of doing anything that is wrong. Also, when your friends see you are doing the right thing and living a pure life, they would want to be like you. For when you have a pure heart, you will always be able to see what Jesus wants you to do and wants you to be.**
