### **Scripture:**

**Psalm 32:5 Then I admitted my sin to you. I didn't cover up the wrong I had done. I said, "I will admit my lawless acts to the Lord." And you forgave the guilt of my sin. (NIRV)**

### **Message:**

**Most times we try to do what is right especially in the sight of God. There are times when we do the wrong thing yet try to let it look like the right thing. We do wrong and do not want anyone to correct us or say anything to us. Some even encourage friends and family to go the wrong way and do the wrong thing. We cannot be wrong and right at the same time. So if we are right or do the right thing, then that is good. But if we are wrong, we need to admit what we have done and try to put things right.**

**To begin to set things right in our lives we first admit our sins to Almighty God. Don't hide them, but go to Him and tell Him what we have done which was not pleasing to Him. We tell it all to God. God has already made a way for us to live a clean life when He sent His Son Jesus Christ to die on the cross so that our sins can be forgiven. God also wants us to have a good and strong relationship with Him so He does not ignore us when we come to Him, but He forgives us. It is a wonderful feeling when our friends forgive us, it is even a better feeling when we confess our sins to God and He forgives us.**
