**Scripture:**

**Psalm 34:14 Turn away from evil, and do good. Look for peace, and go after it. (NIRV)**

**Message:**

**Doing and saying what is evil and wrong may appear to be the popular thing, however, that does not make it the right thing to do or say especially in the sight of God. It may make us famous with those we call our friends, or it may seem as if we are moving with the popular crowd, but right is right and wrong is wrong. We must try not to associate with the wrong and evil things of this world, but seek to do and be known to join with what is right and good. After a while, it becomes easier and easier to be in the right and there is no appeal or joy in doing the wrong.**

**As we continue to do the right, we will feel a sense of peace. With no evil thoughts or actions, we find ourselves always able to approach decisions and activities with a spirit of peace and calm, thus being able to move in the right direction. We must try to be peaceful at all times and at peace with ourselves. The more we pursue peace, the more peaceful we become, the more good we will do and evil will depart from us. Focus on the good, depart from evil, seek peace, pursue peace and life, especially the life with Jesus Christ will be more meaningful.**
