**Scripture:**

**Psalm 34:14 Turn away from evil, and do good. Look for peace, and go after it. (NIRV)**

**Message:**

**At times to do the wrong thing looks easier than doing what is right. We sometime follow our friends in hurting others by saying nasty things or doing the wrong such as stealing or telling lies. We think that by doing what our friends say to do, especially when it is wrong, cruel or unkind, we will become popular. But doing and saying the wrong things is never the right choice. If we have friends who try to make us do wrong, then they are not really friends at all. There are even times when they watch us do these wrong things and leave us alone to take the blame.**

**We are not to link with these persons and we must try as much as possible to stay away from saying and doing the wrong. Instead, we must at all times stick with the good people who do good and help us to do the good things also. We are to seek peace and be peaceful. Not always being miserable and unkind but go after the things that bring peace as well as joy. Why be miserable, when you can be joyful? Why be unkind when you can be loving? Put away and keep away from the bad things and persons in life. Do what is good and right, go after what is peaceful.**

(Answers from last week)

'Tis so sweet to trust in Jesus,  
 Just to take Him at His word;  
 Just to rest upon His promise,  
 Just to know, "Thus saith the Lord."

Chorus:  
 Jesus, Jesus, how I trust Him!  
 How I've proved Him o'er and o'er!  
 Jesus, Jesus, precious Jesus!  
 O for grace to trust Him more!
