FOCUS

October 11 – Be Salt

Scripture:

**Matthew 5:13 You are the salt of the earth, but if the salt loses its savor, with what shall it be salted? It is no longer good for anything, but to be thrown out and to be trodden underfoot by men. (MKJV)**

Message:

**Salt adds flavour. Sometimes we put too much salt, at times, we add too little. But when we add the right amount, the food tastes so much better. God has given each of us the right amount of salt to add flavour to our lives. He has given us many gifts, skills and talents to make our lives rich and satisfying. God has seasoned us to His satisfaction so that we are able to do His will and carry out His purpose.**

**What have we done with the salt that God gave to us? Also, what can we do with the salt that God has given to us? Just as God has added flavour to our lives, we should share the flavour we have to give meaning to the lives of others. We all have some measure of salt in our lives and each of us have different ways of expressing our talents. However big, however small, we must be willing to share the goodness of the Lord to add flavour and taste to the lives of others.**
