INSIGHT

October 4 – Miriam

Scripture:

Exodus 2:4 The child's sister wasn't very far away. She wanted to see what would happen to him. (NIRV)

Message:

When we say "Yes" to God, it must not stop there, we must go further, even go the extra mile in our service to Him. The song writer says "I'll say yes Lord yes, to Your will and to Your way. I'll say yes Lord yes, I will trust You and obey. When Your Spirit speaks to me, with my whole heart I'll agree and my answer will be yes, Lord yes". We must be committed enough to go step by step with the Master. Go the whole journey and not turn back. Even go the extra mile.

Miriam was dedicated enough to make sure that she looked after her baby brother Moses. She was there every step of the way so that God's will and purpose for Moses would be fulfilled. She even went the extra mile to make sure that nothing bad happened to him and that Moses was well taken care of. We too must give of our best and go the extra mile when we are serving our God. We are not to worry for God will sustain us every step of the way.
